**Master storyteller and bestselling author
Greg O'Brien provides his roadmap for
how to fight Alzheimer's and how not to give up!**

Diagnosed with early-onset Alzheimer's, career journalist Greg O'Brien speaks about living with Alzheimer's, not dying with it.

O'Brien's award-winning book, *On Pluto: Inside the Mind of Alzheimer's* is about hope, faith and humor from an investigative reporter embedded inside the mind of Alzheimer's, chronicling the progression of his own disease.
